REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Wang, the closest available art, lacks anything corresponding to the claimed "air outlets" formed with the fan accommodating a fan wheel. Lee shows an embodiment with one fan with two outlets, but lacks a single tube formed with two extensions connected with fins aligned with the air outlets. Regarding Katsui, even if the disclosed air inlets in the Fig. 9-12 embodiment are read on the claimed "air outlets", the pin fins of Katsui cannot be said to be connected to the tube extensions, nor aligned with one of said air outlets.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
